May I remind you that children are **not allowed** to carry medicines with them to school. No member of staff is allowed to administer medicines to children. Only parents or a qualified nurse may do this. If children require medication during school hours, you are expected to come to the school and administer this yourselves or to keep the children at home until they are better. Each case will be treated according to its own merit, at the discretion of the head. Throat soothers are allowed, but please do not send a whole packet to school; 2 - 3 of these should be enough for a day.

As the winter months are rolling by, we would like to remind you once more that the blazer is now a compulsory uniform item. All students are expected to wear this to school as from the 1st December. The blazer should also be worn over the tracksuit, if the weather is cold enough: sports jackets are not allowed, even over the tracksuit. Families who need help in buying the blazer should refer to me, the Head of School.

Also remember to check the school website (<http://schoolnet.gov.mt/sangwannb/>) for circulars as often as possible and when asked to by the teachers.

We would like to thank you for your continuous co-operation in all our school projects. On behalf of all the school staff, we wish you and your family a Blessed Peaceful Christmas.

Yours sincerely,

Ms Erika Spiteri- Head of School
